

The “Wholeness of You”

- Something you won't want to miss in Montana

Plan now to join us in Billings for engaging lessons from nationally known keynote speaker Wendy Samson:

*Understand how your values, standards and beliefs drive your behaviors

*Learn how your tensions can alert you to imbalance and can engage conscious choice making

*Clarify your standards ... let how you move toward them define your character

*Understand the POWER of CHOICE and the design of consequences

*Learn to led with your best intentions

*Find your light heart. Let it be your compass

In addition to her powerful keynote address, Wendy will be delivering an afternoon packed with workshops on personal accountability. Come get the tools you need to ignite the focus and fusion of personal and organizational accountability.

The Personal Accountability Revolution “*Rise above*” the *circumstance and “solve it anyway”!*

**Choose the POWER of CHOICE.
Choose it consciously.
Choose it wisely.**
